2nd July 2024
Assembly 2:45pm

19th – 23rd August 2024
Book Week

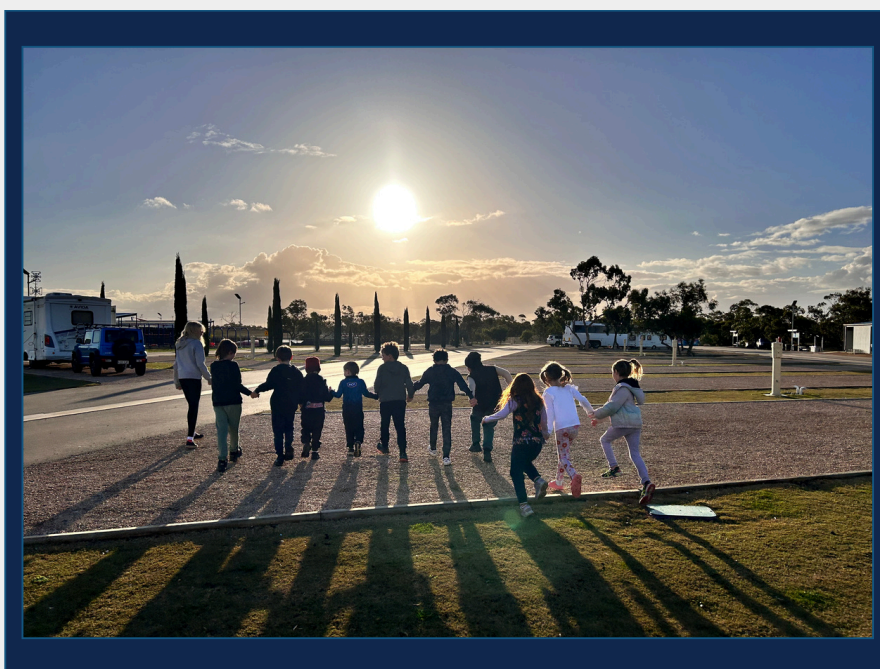

30th August 2024
Fathers Day Breakfast

20th September 2024
Special Socks Day

From the Principal

Camp was awesome! I am so proud of this fabulous group of students who were exemplary in their behaviour, care for each other and ability to have fun with everything that we did. The camp activities (organised so well by Marilyn Gordon) were all excellent and we learnt a lot, challenged ourselves and stepped outside our comfort zones for a few days.

We were very lucky to have great weather and the campsite was amazing. Monarto Safari Zoo, Cape Jaffa Lighthouse, Old Tailem Town and The Bend Motorsport Park were all excellent activities. Thank you to our fantastic teachers Angela and Morgan, SSO Stacey and parent volunteers Sam and Matt as well as our great Kongorong kids for making this the most exceptional camp ever.

Reminders

Reports go home
Friday 28th June 2024

Free toasted sandwiches
Friday 5th July 2024
(Ham & Cheese)

Camp Reflections

My favourite part of camp was Monarto Zoo because I saw a rhinoceros. – Jayce

The best thing about camp was the Zoo because the monkeys were being crazy as usual. – Brodie

My favourite part of camp was the Zoo because the Lions were so cute. – Immanuel

The best thing about camp was the light house because I was very brave to go all the way to the top. – Ellie

JAM BAND

Mason – My favourite performance of Jam Band was the 'Blue' song because I got to see my favourite characters.

Brodie – My favourite part was when DJ Candy Crush and DJ Fairy Floss played Space Jam because I liked the awesome colours on the jackets and shoes.

Jayce – My favourite part was when I got to on stage dressed up with a pug nose and ears and I got to throw pug teddies up in the air.

Ellie – My favourite performance was the Space Jam act because I love the song and the costumes glowed in the dark.

Gemma – My favourite part was the Mario Kart song/act because I got to go on the stage and run around in a blow-up Mario Kart in a Bowser costume.

Liam – The Mario Kart song/act was my favourite; it was super cool.

Claire – My favourite part of Jam Band was the freestyle dance because I did the griddy and the sprinkler. The Mario Kart was very embarrassing as I was Princess Peach and my wig kept falling off.

TECHNOLOGY - REAL LIFE LEARNING

Students discovered what makes a printer work when we jointly dismantled two obsolete photocopiers in Community Hour. We were very fortunate to have expert instruction and assistance from Derek (Willow and Kingsley's grandfather) who works with the technology for a living. After removing the toner and ink cartridges himself, Derek showed us how to safely unscrew sections and gave us useful information along the way. Every student had the opportunity to unscrew sections, use magnets to pick up the many screws and see the inner workings of the circuitry. The students were incredibly engaged and nobody lost interest during the entire time. Thanks to Sarah Lucas for the inspiration and Derek and Rachel Barry for their expert help on the day. It was a fun and informative afternoon for all!

MEDIA RELEASE

SA Ambulance Service

Answer the Call – Join the Keith, Bordertown, Kingston, Robe or Penola Volunteer Ambulance Team today.

SA Ambulance Service (SAAS) has launched its volunteer recruitment campaign, Answer the Call and is looking for some more volunteers in your region.

Around 1200 SAAS volunteers already provide professional ambulance services to South Australians in 77 locations. This year the campaign will stretch from Hawker in the Flinders Ranges to Penola on the Limestone Coast.

Operations Manager, Bryan Petersen said the campaign is a great opportunity for locals from the Limestone Coast who would like to do more for themselves and their community by signing up with SAAS.

"It's great to see the campaign in our local area, our volunteers are excited to meet new recruits and support them through their training," Bryan said.

To help spruik the message of volunteering in these areas SAAS has nominated two of its volunteers, Jo Hough and Yvette Cooke to act as campaign ambassadors.

"Jo and Yvette will provide another level of personal connection to people thinking about volunteering with us," Bryan said.

SAAS volunteers are called on during times of need and have excellent standing in regional communities. By joining SAAS, volunteers get free qualifications, Ambulance Cover and are reimbursed for travel and childcare.

To find out more go to www.saasambulance.sa.gov.au or call 1300 175 584 (during business hours).

To interview Jo or Yvette about the benefits of volunteering with SAAS, contact the SAAS media line on 0481 844 716 or email HealthSAASCommunications@sa.gov.au.

Answer the call. Do you live in country SA?

Join SA Ambulance Service and you'll receive free training, Ambulance Cover, and be reimbursed for transport and child care costs.
